All applicants:

I understand that fellowships are awarded competitively and that not all applicants will receive funding. I have read the detailed rules and award criteria (www.hbs.edu/entrepreneurship/internshipsjobs/summer-fellows.html), and I understand that the awards committee reserves the right to create a pool of all the applications at or above a given quality level and conduct a "lottery" among that pool if it chooses to do so. I understand and acknowledge that – since the fellowship program is designed to support students between their RC and EC years – HBS has the right to reclaim any funding if I do not return for my EC year, or if the fellowship does not live up to the terms described in my application. I also understand that any fellowship funding may be withdrawn and reclaimed if my behavior fails to conform to the HBS Community Values and Recruiting Policies.
