

TUITION ASSISTANCE INFORMATION

PERFORMANCE MEASUREMENT FOR EFFECTIVE MANAGEMENT OF NONPROFIT ORGANIZATIONS **May 26 – 29, 2009**

Partial tuition assistance is available for **Performance Measurement for Effective Management of Nonprofit Organizations**.

The amount of assistance varies but does not cover the full tuition. Awards are based on professional experience, commitment to enhancing the nonprofit sector, and financial need.

To apply for tuition assistance, please send a one-page letter on your organization's letterhead that requests the amount you are seeking. The letter also should include:

- a brief description of your organization and its impact on the constituency you serve,
- your organization's total budget and your training budget,
- your own accomplishments in support of your organization's mission and your future plans in the field,
- the additional resources that you have sought and secured to help support your attendance at the course.

Tuition assistance decisions are made separately from the admissions process. It is important that you submit separately a completed application for the course.

Requests for tuition assistance are due by April 10, 2009 and should be sent to Annette Wilson, Program Director, Executive Education, 79 JFK St., Cambridge, MA 02138. Notification of awards will be made by April 24, 2009.

If you have additional questions, please contact Ms. Wilson at 617-496-2539 or annette_wilson@harvard.edu.
