

FORUM ON HEALTH CARE INNOVATION

HEALTH ACCELERATION CHALLENGE

SEEKING CARE INNOVATIONS READY TO SCALE

We're looking for proven ideas that have the potential to do great things for the US health care delivery system. Finalists will be invited to present their ideas at an invite-only conference of senior health care leaders.

What's your innovation?

FOR WINNER

NOT APPLYING?

You will be entered to win tickets to the conference if you provide actionable, useful feedback on other people's ideas.

WHO:

Anyone with an innovative idea that impacts care delivery, has proven its value and has the potential to scale.

WHAT:

Winning innovations will attract the attention of a broad network of health care experts, become subjects for HBS case studies, and receive cash prizes.

WHERE:

Submit ideas and comments to www.HealthAccelerationChallenge.com.

WHEN:

The Health Acceleration Challenge website will accept submissions until September 29, 2014.
